Olvi plc's Annual General Meeting on 26 March 2024

Olvi plc's ("Company") Annual General Meeting 2024 ("General Meeting") will be held 26 March 2024 as a classic meeting according to 5:16.1 § in the Finnish Limited Liability Companies Act (624/2006).

On the basis of this form, a shareholder can register to the General Meeting. Also, on the basis on this form, a shareholder can vote in advance in certain items of the agenda of the General Meeting. It is recommended that a shareholder, who has a personal Finnish book-entry account and who wants to participate in the General Meeting, registers for the General Meeting and possibly votes in advance electronically at the address www.olvigroup.fi/en.

Each shareholder who is registered on the record date of the General Meeting 14 March 2024 (eight working days before the General Meeting) in the Company's shareholders' register held by Euroclear Finland Ltd, has the right to participate in the General Meeting. A shareholder, whose shares are registered on the shareholder's personal Finnish book-entry account, is registered in the Company's shareholders' register. A shareholder who wants to participate in the General Meeting on-live, must register to the General Meeting by filling in the required information on this form and by signing and dating this form (signatures and dates on the last page).

If a shareholder also wants to vote in advance by this form, they will have to complete the advance voting table on the last page. Voting in advance is not compulsory. Possible advance voting on the basis of this form requires that the shareholder's shares are registered on their personal Finnish book-entry account. The number of possible advance votes is confirmed on the Finnish record date of the General Meeting (eight business days before the General Meeting) based on the holding in the book-entry account.

I/we understand that if I/we give this form as a representative of an entity (incl. estate), the legal representative of the entity or a person authorised by the entity must provide necessary documents to prove the right to represent the entity (e.g. trade register extract or board resolution). Documents are requested to be attached to this form. If the documents are not submitted during the registration and advance voting period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the General Meeting.

The completed and signed form shall be delivered primarily as an attachment in connection with the registration and possible advance voting, or alternatively by e-mail to hallinto@olvi.fi or as originals by mail to Olvi plc / Annual General Meeting, Olvitie I – V, 74100 Iisalmi, Finland. Voting in advance using this form

At the General Meeting, the advance votes are given in each of the items of the agenda of the General Meeting as indicated with a cross (X) below.

- The option "Yes" or "In favour" means that the shareholder is in favour of approving the proposal.
- The option "No" or "Against" means that the shareholder objects to the acceptance of the proposal. By voting in advance it is not possible to submit a counter-proposal to the meeting or demand a voting.
- "Abstain from voting" means giving an empty vote and that shares are considered to be represented in the General Meeting, although the shares are not considered voting in favour or against anything. This is meaningful, for example, in resolutions requiring qualified majority, as in qualified majority items all shares represented at the General Meeting are taken into account and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention. If not otherwise communicated, the given advance votes are presumed to concern all the shares that the shareholder holds.

The shareholder's shares are not taken into consideration in an item in question, not considered as shares represented at the General Meeting and not counted as cast votes with regard to the item in question if

- no votes have been indicated.
- there are more than one vote on the same item.
- other text or markings other than a cross (X) have been used to indicate a vote.

In a situation where a shareholder has voted in advance more than once or via more than one voting channel, for example, both electronically and by using this form, the votes given most recently will prevail.]
